1. Fr. Christian unpacked the definitions of *TYPE*, *ORDER* and *END* to help us understand St. Thomas Aquinas' teaching on Divine Providence. How do you now understand St. Thomas Aquinas' teaching on Divine Providence?
 2. Did you have your own definition of "Divine Providence" prior to this talk? How does your concept of "Divine Providence" impact your daily life? Has anything changed based what you learned?
 3. Some of the challenges to the acceptance of Divine Providence include: chance events, free will, the laws of nature and evil & suffering. Are any of these still difficult for you? Which objection do you hear most often? How can we respond to help others understand?
