PREPARE FOR OUR GREATEST BATTLE HERE IN MARYLAND

## Defeat the Declaration of Rights – Reproductive Freedom Amendment

### WHO WE ARE

Health Not Harm MD is a Ballot Issue Committee registered with the Maryland Board of Elections to oppose the “reproductive freedom” amendment.

### WHAT’S AT STAKE

- Loss of parental rights
- Decreased health and safety standards
- Increased healthcare costs
- Loss of conscience protections and free speech

### HOW WE WILL DEFEAT THIS AMENDMENT

## 1. Warn

The ballot is not  
what you think.

## 2. Inform

It’s worse than  
you think.

## 3. Involve

You have more  
power than you  
think.

## What You Can Do

### PREPARE FOR OUR GREATEST BATTLE HERE IN MARYLAND

#### KNOW ... UNDERSTAND ... CHALLENGE

- With or without this amendment, abortion for any reason throughout pregnancy is legal in Maryland.
- With or without this amendment, adults can seek any type of reproductive medicine or procedure, male or female.
- The broad language of this amendment creates new and unlimited rights for all individuals, regardless of age.
- Challenge the lies and deception presented by the politicians and the media. This is not simply about abortion rights. This amendment is about the social upheaval of the concepts of male, female, children, parents, family and society.
