

TASTE Program — End of Year Survey 2025-26

Dear TASTE Sisters,

Your input on this survey will be very helpful in planning our 20th Year of TASTE. Please share your honest feedback and any other details you would like to add. We acknowledge the fullness of the year and that not all speakers and topics can remain in the forefront of our minds, but please be as candid as you can. There will be room at the end to add any additional comments. We thank you for taking the time to participate in this survey and sharing with us your experience in the TASTE Program this past year. Also please answer the question at the end about next year's theme. Thank you!
